The purpose of this peer evaluation is for you to provide feedback on your team's performance during the ME135/235 Spring 2022 semester.

Please complete the survey before **Wednesday May 11th**.

Please keep in mind that completing this survey should be done on an individual basis and in as an individual assignment through bCourses. Please answer all questions.

Your Name: Michael Jia

Please briefly describe your contribution to your group?

I contributed to the group by building the cabinet, 3d printing the motor mounts and adapters and writing the ultrasonic code.

To the best of your knowledge, please briefly describe how each of the other members of your group contributed to the team.

Member Name: <u>Matthew Chen</u>

Contributions:

Made the Labview GUI. Debug and building the cabinet.

Member Name: Aaron Luo

Contributions:

Made the motor code and integrated everything with the ultrasonic code. Made the cad for the motor mounts.

Based on the individual contributions from each group member, how would you rate the overall contribution of each member including yourself. Rate each member on a scale of 1 to 10, 10 being the highest.

Your Name: Michael Jia Score: 10

Member: Matthew Chen Score: 10

Member: Aaron Luo Score: 10

Thank you for filing out the evaluation. Please do not forget to submit it as an assignment on bCourses.

Have a wonderful summer!
